BUSHIDO ANGELS
ADVENTURES

A Reason for parlobes

Translation: Pansysoftline

Special Thanks: Thomas, Yumiko, etc.

He has
probably been
but why

Yamaguchi
is a
university

hey
hey...

is that
a new
grillmark?

It's just
one after
another.

At first
I knew, but
you are such
a little woman
as you

I just
heard about
Yamaguchi!

Yel
Yamaguchi!

It was
right after
Yamaguchi
had been
killed!

Last
Spring

I made
the mistake
of being
a few days
with him.

I meant to say,
"let killing"
but I was so
drunk that my
brain was off.

It's possible
I'll be able
to see you
again.

Yel,
I'm not
sure if I
can see
you again.

Sorry
about your
girlfriend.

Since she got
away, I've
lost out of me, I
decided to turn
a bit of fun.

And
that bit
of fun.

Really?

The gay
is really
cute.
and
me.

...you
were
cute
then?

Back
then.

and Yonaguchi
was definitely
in an awkward
position.

By accident,
he put himself
in an awkward
position.

It
only let
him
off his
hook.

Why
did this de-
vise of the
last result?

It made
light of
it, but.

I should
have escaped
saying "Sorry
it was a joke"

It's a
pity
that
you
were
there.

It was
to
be...

Dear
mom...

Yamaguchi has
come to me.
Whatever he
must "transfer
for a lucky
heart"

I began to see
that the way
of thinking and
feeling must
also be transferred.

This is the
detached
and whole
and all.

By the way...

...

Sooo... What are you?? Some kind of pretty boy who can't stop looking in mirrors??

How long are you going to monopolize the bathroom??

Hey, Just

I wonder if it's some kind of physical phenomenon.

Sometimes my eyebrows heat up and turn red for no reason (in just this one spot)

I don't know if that's a thing or not... but it's interesting!

Right?

OF
COURSE

In an
instant,
he's
back to
normal.

SUCH
A
HUM-
BLING
MEM-
ORY!

Doesn't it
seem like he
was on a
long streak
once, then?

Let's look about
the school.
That's not going to
be a comforting
future.

I mean,
with a
rebirth!

AND
WHAT'S
WITH
THAT
POKER
FACE?

He's not
supposed
to decide
when to
end it on
his own!

WHAT
THE
HELL
IS
THIS?

Why?

Why?

It
has
to

Is-
kuna?

WHY AM
I THE
ONLY ONE
STRUG-
GLING?

Don't look at it.

Your cheek is turning red.

AAA

And here.

More, too.

Hey.

...you've got a light complexion so it stands out.

It's a little swollen and you have a fever, but.

It's fine.

my face is a funny shape, isn't it?

Shot.

It's cute when you turn red.

And happy.

Justin, certainly a stupid, slightly weird couple.

Looking at it now.

The
next
morning -

Good
morning

the first
thing I saw
was Yamer
still, finally
awakened.

I found
his fine
growth of
whiskers
very sexy

Are
you
okay?

Does your
body hurt?

Last
night.

you ended up
playing into the
hands of some
ghostly ruffian,
unable to tell

Manana, look,
we didn't
do it
just once.

To tell the
truth, I find it
a bit odd of
me, but it
doesn't
really matter.

It is...
emotionally
satisfying...
somehow...

Let's
close...

How
can you be
so calm
about it?

Don't
worry about
people
forget things...
quickly...

Even
if we're
definitely
late wrong
to waste
time, so...

If you and I
are a couple, that
makes us the enemy
of all women!

I should
going back
to school...

Your class
is pretty
one...

In "A Reason for Earlobes," they officially fell in love, but instead of a happy ending, their problems are piling up, one after another!

Even though I thought he was a cool womanizer, if you take off that veneer...

Isn't this playing dirty?!

He's good-looking and isn't
not much of a talent, so I
didn't realize, but...

Here,
take this.

Yamaguchi is an idiot.

What's the matter?
You like these, right?

Any way you look
at it.

I really
love it.

The truth
is the only
beast with you,
Yamaguchi!

I can't
speak...

I can't
even
open my
mouth.

Right,
Ishikawa?

In fact, in super
clubs, as from the
day I was born,
he never had a

woman!

HEY!
It's not
because he
not popular

going out with

now!

I'm sorry,

So...

I'll be just
overnight,
so...

A

But

Yes

He's forcing himself to
not annoy...

No...
No way?

What
?

They're
staying in the
same

Does
that
mean

Uh

but I'm afraid

I want to make out

If he says "You're getting on my nerves," I won't get over it...

No.
He probably had to live family because he's going on a trip with a girl.

He lied to me...?

I can't
let someone see me like this

I'm pathetic, even if I say so myself

1
You should get angry or laugh at me!

Why are you so calm about it?

Huh?

And you're not mad at it?
You didn't

even send me a text message while I was gone!

Didn't I tell you?
I said I was going to the beach with a girl!

That's what I said to you... 2

After graduation,
Sera got a
full time job at a
major company

Yeah

IT
HASN'T EVEN
BEEN TWO
YEARS SINCE
GRADUATION

IT SEEMS
LIKE A
LONG
TIME AGO

THIS
TAKES
ME
BACK

And I
just work
in a book
shop

Well of
course I
be working
there, but

Our positions and
circumstances in
life have changed
a lot since college

Sometimes
Marquain gets text
messages from women
on his cell
phone.

It's a
woman.

Just this
Marquain's first
for 'staying
looking his cell
phone right in
front of me at
the time.

Maybe I
shouldn't check
the that

When I
checked there
were three
of them.

POUNCE

Why is
he reacting
like that

Wh...
What

YOU'VE BEEN
THINKING
THAT MUCH
ABOUT OUR
FUTURE!

I'm not
happy

if I'm being
rolled around
on the palm
of his hand

He's always
undermining
me like this

OOOH
OH SHINY
OH

OOH
LET'S GO
LOOK AT
THIS!!

Sometimes
I wonder

I guess
that isn't
so bad

Well...

That's what
I thought

A series
they'll
be
together
at the
future...
until
they
grow
old and
grey

The End

The Reason His Earlobes Redden

Well, another project finished! I'd like to thank my team for their very hard work! You all are AWESOME!

Now, release notes: Initially we released "A Reason for Earlobes" as, well, "A Reason for Earlobes." When Karsada collected and re-released the collection, she used the English title, "The Reason His Earlobes Redden." It's been so long since we released that chapter of what we fondly referred to as the "body bits" collection, that I didn't feel we could change the title at this late date. As such, the chapter is still listed as "A Reason for Earlobes," whereas the "collection" title is "The Reason His Earlobes Redden." I hope that clarifies any confusion regarding this release!

Yamaguchi is a womanizer, in fact, he was probably born that way. In the one year that Ishikawa has known him, he has gone out with twelve girls. Some people admire him, while others find him irritating. Ishikawa is clearly in the latter group. So why do Ishikawa and Yamaguchi have anything to do with each other?

This popular series, depicting the love between a cool hunk and dumb-cute-pie whose lack of honesty continually leads to conflict, is now available in one complete volume

Afterword

Thank you
for buying
"The Reason
His Earlobes
Residen."

Hello,
everyone I'm
Kunieda

I mean,
even I forgot
a whole
bunch of
stuff.

And
that was
the last
drawing
I did.

Can you
even re-
member it?

This
can't
not
a book.

It took a
long time
for this series
of magazine
publications to
become a book.

Oh
sorry,
I've been
a little
busy.
To
make
this
book.

Four
years
ago...

I came up
with the idea
for drawing
this series
in 2005.

Afterword

I mean, is
my feedback
test bad...?

That
robot.

This is
the best
feedback
you've ever
received!

I was happy,
but a little
confused.

After I tried
to draw
something
based on the
conditions
above...

uh
no

Maybe, in
a way, they
weren't appro-
priate for the
context.

You know, I've
published three books
with Melvin Comics.
And, for some reason,
I always draw one
person on the cover.

How could drawing

I
think
it
was

oh, he looks
happy. But a girl
can't like a robot
new, right? right?

At first,
I made
the robot
a little
too cute

That's why, this
time, I wound
up drawing my
most typical ML
cover ever

But, for
this series,
you absolutely
have to draw
a love-story
couple!

I'm worried
about the
footnote
there, huh...

While I was
drawing this series,
it seemed like
Yamaguchi-kun
underwent a meta-
morphosis. I had
that feeling from
the beginning...

I took (without
permission) their
names from a couple
of side characters in
a comic* that I was
really into at the time

I intended for
hearing this
comment:

Yamaguchi
and Ichikawa
are very
obvious
names

You know
the
story
of the
two
of them

*I'm not sure if I should mention this, but I did not know the names of the characters in the comic I was reading at the time.

I thought
Ichikawa-kun's
sister was a
good character
there, so I put
her name
in here.

That
side...

Yamaguchi-kun
was so caught up
in chasing his
dreams that he
never noticed
Ichikawa-kun's
feelings

in that comic,
Ichikawa-kun's
love was com-
pletely in-
cluded

I'm not sure
if I should
mention this,

Aftermath

I didn't have any material so, driven by desperation, I made up the title, then, driven by desperation, I made up the story.

Cops, I almost forgot 'The Scurry Cat Turns Its Back' is in this compilation, too

A tall apesier, but I completely forgot to add cat ears! What a stupid mistake!

My biggest regret in this work is the scene where the main character is dreaming and the cat turns into a human being.

well, I've filled up a page, writing about stupid stuff!

See you later!

But, what's the right way to attach cat ears?
